

This wine is sweetened to the point where it enhances the flavor of the Concord grape on the finish.

Because it is the first wine that was made from beginning to end in our new production facility it seemed only fitting to name it Soup to Nuts.

On the label is a picture of my maternal grandmother Evelyn Marshal. Although I did not have a chance to meet Lady Ev until she was elderly and I was in my late twenties, I am grateful for the few years that we were able to spend together. While not together for the Soup, we were for the Nuts. This photo makes me chuckle and reminds me of her wit leaving me to wonder how entertaining the main course might have been!
