

This blush is a beautiful fruity neutral rosé that is easy to drink. This award-winning wine took a silver medal at the Finger Lakes International Wine Competition.

This label personifies the continuation of a long-standing family tradition in the agricultural sector. Doris (nee Freas) Sherman and Elvin (Sherm) Sherman worked this land for many years after Doris' parents, Boyd and Vida, were no longer able to tend to the over 20 acres of land that is the location of our winery.

In honor of Doris and Sherm, donations from the proceeds of Forget Me Not will go to the Alzheimer's Association.
